CURRENT PROPOSED AND APPROVED PROJECTS:

1. INTENSIVE NURSING SKILLS ENHANCEMENT COURSE (INSEC)

Granting Institution: WORLD HEALTH ORGANIZATION (WHO)
PHILIPPINE EMBASSY TRIPOLI-LIBYA

Description: The Intensive Skills Enhancement Program is a nine (9) months course designed to enhance the knowledge and skills of LIBYAN nurses with Diploma Nursing Degree Preparation (1 year preparation). The program blends nursing theory with advanced practice concepts necessary to successfully work within the structure, culture and mission of a health care organization. It is designed to meet the needs of career nurses seeking superior clinical skills to pursue advanced clinical management roles or positions.

2. RESEARCH FORUM & SYMPOSIUM ON COVID 19

Granting Institution: PHILIPPINE EMBASSY TRIPOLI, LIBYA

Description: The project on COVID 19 will entail a research study which will be of great help in establishing baseline data and would be of help as

a reference to the different sectors in Libya. Based on the results of the study, a symposium will be conducted that will help increase the level of awareness of both the medical and non medical workers on the current issue that may pose a “pandemic” threat as mentioned by the WHO.
