

CURRICULUM VITAE

• PERSONNEL AND CONTACT INFORMATION

Name: Yousef Mohammed Abouzeed

Nationality: Libyan.

Address: Department of Microbiology and Parasitology
Faculty of Veterinary Medicine, Tripoli University

P.O. BOX 13662

Tripoli-Libya.

Mobile :00218927001654

Email : y.abouzeed@vetmed.edu.ly
yabozeed@hotmail.com

• EDUCATION

- Doctor of Philosophy (PhD) in Microbiology.(2008) University François Rabelais de Tours et Institut National de la Recherche Agronomique (INRA), France

Thesis title: Study of the role of *mar*, *sox* and *ram* regions in multidrug & fluoroquinolones resistance in *Salmonella enterica* serovar Typhimurium

- **Master of Science (MSc)** in Microbiology (1999). University of Prince Edward Island, Atlantic Veterinary College, Charlottetown, C1A 4P3, PEI, Canada

Thesis title: Characterization of *Salmonella* isolates from beef cattle, broiler chickens and human sources on Prince Edward Island

- Bachelor of Veterinary Medicine (DVM) (1989), Tripoli University, Faculty of Veterinary Medicine, Tripoli-Libya

• EMPLOYMENT

- Professor 2020-present: Department of Microbiology and Parasitology, Faculty of Veterinary Medicine, Tripoli University
- Associate professor 2015-2019: Department of Microbiology and Parasitology, Faculty of Veterinary Medicine, Tripoli University
- Assistant professor 2012-2015; Department of Microbiology and Parasitology, Faculty of Veterinary Medicine, Tripoli University

- Dean of the Faculty of Veterinary Medicine Tripoli University; 2011-2013
- Member of the scientific committee at Biotechnology Research Centre (BTRC) Twasha, 2012-2013. Ministry of High Education
- Lecturer 2009-2012; Department of Microbiology and Parasitology, Faculty of Veterinary Medicine, Tripoli University
- Head of the Department of Pathology and Clinical Pathology Faculty of Veterinary Medicine, Tripoli University 2009-2010
- Senior research assistant 2004-2008; Institut National de la Recherche Agronomique. (INRA) L'équipe Plasticité Génomique Biodiversité Antibiorésistance, Infectiologie Animale et Santé Publique du centre INRA de Tours- Nouzilly, France
- Assistant lecturer 1999-2003; Department of Microbiology and Parasitology, Faculty of Veterinary Medicine, Tripoli University
- Research assistant 1995-1999, Department of Pathology and Microbiology, Atlantic Veterinary College University of Prince Edward Island. Canada
- Teaching assistant 1992-1994 Department of Parasitology and Microbiology, Faculty of Veterinary Medicine, Tripoli University
- Veterinarian 1989-1991 Dairy cattle and poultry project; Department of animal health welfare, Ministry of Agriculture, Tripoli Libya

- **RESEARCH AND TEACHING EXPERIENCE**

- **Involved in teaching both under and post graduates courses including**
 1. Veterinary Bacteriology
 2. Veterinary Virology
 3. Veterinary immunology
 4. Techniques in microbiology and molecular biology
 5. Bacterial genetics
 6. Cell biology
 7. Bacterial drug resistance

- **Research**

- **Techniques in molecular biology and microbiology including:**

1. electrophoresis, DNA isolation and purification, RNA isolation and purification, Recombinant DNA technology; Cloning
2. In situ hybridization, western blot, southern blot, PCR and RT-PCR
3. Basic techniques in tissue culture and cell biology
4. Basic technique in immunology (ELISA)
5. Chemical analysis with HPLC and atomic absorption
6. Methods of bacterial culturing, isolation and identification

My Ph.D. and MVSc in microbiology and molecular biology have provided me with a strong background in a variety of skills both in molecular biology and bacteriology. My B.V.Sc offers a solid understanding of all aspects of veterinary medicine including the aetiology and pathophysiology of both infectious and non-infectious disease processes.

I hold a position at University of Tripoli as head of Department of Pathology and Clinical Pathology and as Dean of Faculty of Veterinary, however these positions gave me the experience and the ability to focus and work both independently and in multidisciplinary groups. I also have extensive research and teaching experience.

- **SCIENTIFIC PUBLICATIONS**

- **PROCEEDING AND CONFERENCES**

1. 3rd international conference on drug discovery and therapy. **Abouzeed YM**, Salah Edin Elmehri, Abdurrezagh Elfahem, Ebdurazzaq altomei, Asma K Elramalli and Mohamed O Ahmed (2011). Assessing the invitro antibacterial activities of eight Libyan Medicinal plants against methicillin-resistant staphylococcus aureus. proceeding published by bentham science publisher
2. 3rd international conference on drug discovery and therapy. Ahmed MO, Elramalli AK, Samri SG , Abuzweda AR, **Abouzeed YM** (2011). Isolation and screening of methicillin-resistant staphylococcus aureus from health care workers in libyan hospitals. proceeding published by bentham science publisher.
3. 4th international conference on drug discovery and therapy. **Abouzeed Y M**, Elfahem A, Elmehri.S , Zgheel F and Ahmed MO (2012). Simultaneous identification of phenolic compounds and antibacterial activity of the raisin extract. Proceeding published by bentham science publisher.

- **Skills**
General

- Excellent interpersonal communication skills and well-organized;
- ability to work well in a team with people from different levels and backgrounds;
- disciplined and highly motivated with strong work ethics

Computer

- WordPerfect ,Word, Corel, Windows, Powerpoint, Excell, Endnote
- QuattroPro, SAS, SPSS, Mintab,

• **Leadership**

•

2009-2010: Head of Department of Pathology and Clinical Pathology, Tripoli University, Tripoli-Libya

2011- 2013: Dean of the Faculty of Veterinary Medicine, Tripoli University, Tripoli-Libya

2017-2020: Head of Department of Graduate studies and Research Faculty of Veterinary Medicine, Tripoli University

Languages:

- Arabic: mother tongue
- English: Fluent in speaking, reading and writing
- French: Functional
